

CLARITY ENABLES SUCCESS

The Career Immersion Program
by I Query Australia.

Replacing guesswork with experiential data
for ambitious students aged 13–18.

THE 15-YEAR WINDOW

BLOCK 1: THE PREP (YEARS 1-5)

The last 5 years of school (Grades 9-12).

The foundational planning phase.

BLOCK 2: THE BUILD (YEARS 6-10)

5 years of university.

Pursuing Bachelor's and Master's degrees.

BLOCK 3: THE LAUNCH (YEARS 11-15)

The first 5 years of the early career workplace.

THE DECISIONS FINALIZED IN BLOCK 1 STRICTLY DICTATE THE TRAJECTORY, COST, AND ULTIMATE SUCCESS OF BLOCKS 2 AND 3.

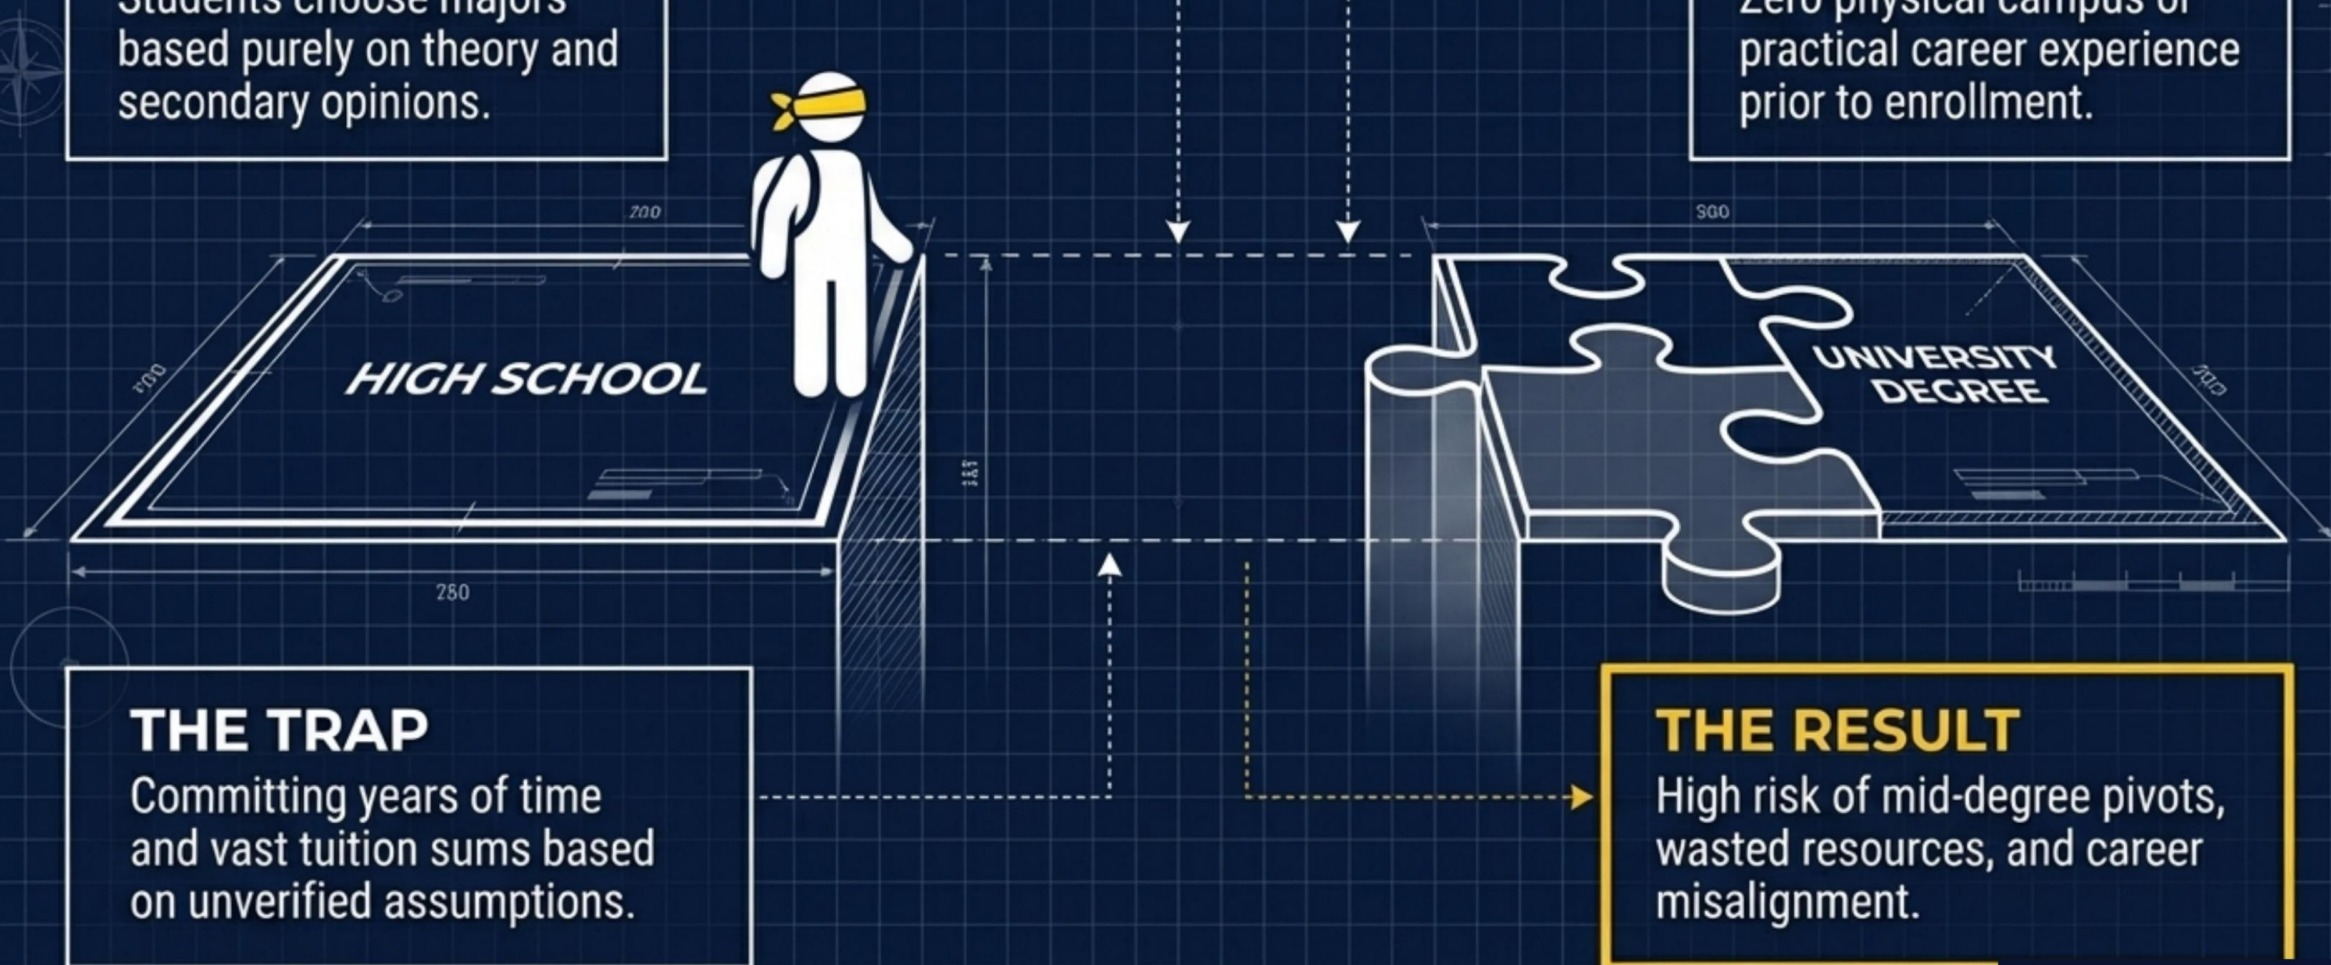

THE FLAW IN THE TRADITIONAL SYSTEM

THE GUESS

Students choose majors based purely on theory and secondary opinions.

THE LEAP

Zero physical campus or practical career experience prior to enrollment.

REPLACING HOPE WITH STRATEGY

	The Traditional Path	The I Query Path
The Starting Point	Guesswork in High School	Data-driven psychometrics
Campus Experience	First day as a freshman	2-week immersion before applying
Career Alignment	Wait and see	A date with a career to test the waters
The Outcome	Blind commitment with high pivot risk	Confident commitment and seamless transition

THE CAREER IMMERSION ARCHITECTURE

PHASE 3: THE CONFIRMATION PIVOT

Post-Immersion Debrief

The experience matched
the expectation.

Proceed with Confidence

The student locks in their
target degree.

The reality of the career
didn't match the theory.

Pivot with Clarity

The student course-corrects
now, saving years of wasted
university tuition and time.

Where do you want to start working for your first 5 early-career years?

BRIDGING DISCOVERY AND EXECUTION

The Immersion

Provides the What and the Where. The 2-week discovery phase locks in the exact career and target country.

The Mentoring

Provides the How. A multi-year portfolio and admissions strategy to ensure the student actually gets there.

The Career Immersion program ends where the Career Mentoring begins.
